The screenshot shows a web browser window with a single tab titled "pro13.html". The address bar displays the file path "Z:/html%20records/pro13.html". The page content includes the heading "example of enabling spell check", a text input field, a "reset" button, and the heading "example of diasbling spellcheck" (note the typo). Below this is another text input field and a "reset" button. The Windows taskbar at the bottom shows various application icons and the system clock indicating 17:19 on 11-07-2023.
